

## Physical Education & Sports Uniform Policy:

IT IS ESSENTIAL THAT PUPILS CHANGE INTO APPROPRIATE CLOTHING FOR PHYSICAL EDUCATION

### 1. The correct uniform for any Senior or Junior student in Physical Education is;

- Buller High School Polo Shirt- *available for purchase from Mountain Creek Outfitters on Palmerston Street (As seen in photos)*
- Plain black shorts, tights or track pants.

**Note:** Any pupil suffering from a condition that prevents participation in Physical Education must present a Medical Certificate and/or a note from their parent/caregiver requesting an exemption from physical activity, clearly explaining the reasons and the likely duration of the condition. The School may decline requests for an exemption if details are unsatisfactory and/or unsupported by a Medical Certificate.

### It is also highly recommended that;-

- Students bring appropriate footwear for their current unit of work.
- A uniform hat (plain black) be worn during outdoor activities.
- During colder months students are allowed to wear Buller High School sport team hoodies in Physical Education
- Showers are available and should be used after vigorous exercise
- Failure to present a note and no uniform will result in the class teacher following the Non-Uniform process shown below.

## Non-Uniform Process

Failure to present a note and no uniform will result in the class teacher following the Non-Uniform process shown below.

Non-Uniform Process	
Issue	Consequences
1 <sup>st</sup> no gear/note	A verbal warning from the teacher.
2 <sup>nd</sup> no gear/note	A verbal warning from the teacher.
3 <sup>rd</sup> no gear/note	A home detention is issued. <i>Failure to complete and return to the teacher shall be referred to the HOD for a lunchtime detention.</i>
4 <sup>th</sup> no gear/note	Class teacher to refer to HOD (pink slip) and contact home regarding uniform concern. A lunch time detention is issued from the HOD.
Subsequent no-gear	Will initially be issued a detention and strategies will be employed by the teacher and HOD to address the issue.
