

Year 10 Course Selection 2022

Student Name:.....

House..... House Teacher.....

In 2022, Year 10 students will do **four** options (but will choose five, one as a back-up). There are nine Year 10 option subjects available. Each student will choose five subjects from the “Options” box in ranked order, four choices plus a back-up. Students will get their options in either terms’ one and two or terms’ three and four.

We aim to ensure students get their first choices, but this is not guaranteed. **Students who return their form by the due date have the best chance of getting the subjects they choose.** Students who make late returns may have to be fitted into subjects where space is available. Only eight of the nine options can run at any time. It may be that it is one of your choices that does not, so make sure you choose five.

From the list below please **choose your preferred option subjects for 2022:**

Options		
<i>(Rank 5 subjects in order of preference, from 1 to 5)</i>		
<i>1 = MOST and 4 = LEAST preferred</i>		
SUBJECT	RANK	
Design and Visual Communications (Graphics)		
(Technology) Food and Fabric		
Visual Art		
Workshop		
Performing Arts		
Digital Technology		
Health		
Business Studies		
Te Reo Māori. You may choose Māori for one or two of your options. Choosing for a full year is recommended if you might take Te Reo for NCEA.	Half Year	Full Year
	Circle One	

A brief course description of these subjects is contained in the attached Course Information Sheet. **Read it carefully.** Ask the Head of Department or Teacher in Charge of the subject if you want more information.

**THIS FORM MUST BE RETURNED TO YOUR HOUSE TEACHER BY -
Thursday 18th November**

To be valid it must be **signed by a parent/caregiver.**
