# School Uniform

**Glentunnel School (Mātai Rangatira)** is a uniform school with a proud history of uniform variety since 1879 to suit the environmental conditions of the Canterbury region, from hot norwest days to freezing cold southerlies. Our uniform therefore suits summer and winter conditions, with some items being worn all year round.

As a uniform school, tamariki are expected and encouraged to take pride in their general appearance. All our school uniform is available from the School Office for purchase (prices on page 4 & 5). We are the main supplier of the majority of school uniform and do not make money from the sale of it. Please ensure that you purchase your uniform requirements from the school directly. Thank you.

## Uniform type: All seasons uniform

The **royal blue unisex polo-shirt** is worn by boys and girls throughout the year and accompanied with a pair of **plain black shorts** or **black cargo shorts** with no branding or patterns on them. Additional to this is the wearing of **plain black leggings**, or **plain black tracksuit pants** with the royal blue polo-shirt.

## Uniform type: Summer and Winter seasons for girls

Girls may wear either the:

- summer gingham dress;
- winter tartan box pleat pinafore with the royal blue polo-shirt;
- gingham culottes with the royal blue polo-shirt

## **Uniform type: Warm tops**

Tamariki have a choice of three warm tops to wear over their royal polo-shirt: Tunic sweatshirt, Merino jersey, or the Polar fleece top.

**All school uniform should be well labelled with your child's name.** If your child has lost an item they are to check the lost property basket which is located on the inside of the school's main corridor next to Rm 2 and the staffroom.

**Sunhats:** As a sun-smart school, we ensure every child wears a wide-brimmed school sunhat during Terms 1 and 4 when the sun is at its peak burn time. Sunhats are provided by **Home & School** for every tamariki (thank you) and ensure that the back of the neck, ears and face are protected from the rays of the sun. Sunhats are optional to wear during the autumn and winter months. No basketball style caps please.

**Sunscreen** is provided by the school. However, if your child requires special sunscreen then they need to bring this to school. Thanks.

**Footwear:** a variety of footwear can be worn to suit the conditions of the season. The main footwear of choice is a sports shoe which encloses the toes. Tamariki can wear gumboots in the winter and wet months and sandals in the summer. All footwear is taken off before entering the class environment to keep the carpet clean.

**Socks:** **short black socks** or **short white socks** are to be worn when wearing footwear other than sandals.

**Hi-Vis Safety Vests:** these are worn when tamariki come into or exit the school grounds. These vests are also used during school EOTC trips to keep our school tamariki safe and to be easily identified. When a child starts Mātai Rangatira they receive their **first Hi-Vis Safety vest for free**, kindly donated by **Phase 2 Construction**. Ka pai.

**Second hand uniform:** each year some parents donate back to the school quality second hand uniform, as their child outgrows their uniform or they have finished their final year at Glentunnel. This uniform is available to parents/caregivers for their child free of charge.

**Jewellery:** the wearing of jewellery is strongly discouraged. Girls however, may wear one pair of studs in their ears. No loop earrings please.

**Hair Colouring:** may tamariki please refrain from dyeing their hair. Thank you.
