**Senior School:**

Kia ora e te Whānau, Ngā mihi nui ki a koutou i tenei wāhanga whakamutunga o te tau. Greetings to you all for our last term of 2022. We have a short but very busy term. We are starting with all our senior students having the opportunity to travel to Tiritiri Matangi bird sanctuary - super early starts but well worth it! Our cultural groups have a busy schedule this term and are performing at two major events in the first two weeks. We are on stage at Kelfest at Kelston Intermediate at 12:00pm on Friday October 21st and the Kahui Ako Cultural Festival at Henderson High School on Friday October 28th. Our time on stage will be confirmed next week. Coming up we also have our Prospect School Night Markets and all of our usual end of year graduation and prize giving events and celebrations. Please keep your eyes open for notices and reminders throughout the term.

Our focus for our integrated curriculum work remains on Keeping Ourselves Warm with our students reflecting on what they have learned, then asking questions and planning for what else they want to learn. We have some really interesting questions and learning pathways coming from our tamariki.

Miss Sanskriti will be returning next week. Massive thanks to Kōkā Te Awatea for taking care of Room 7 and to Mrs Northcott and Whaea Shirley for their support for the first part of this term.

As always, please feel free to contact us if you have any questions.

**Naku te rourou, nau te rourou, ka ora ai te iwi.** With my basket and your basket, the people will thrive.

Ngā mihi anō, Steph Playfair, Philly Pai, Joe Angus, Sanskriti Bhardwaj, Nick Vemola, Hannah Jones, Shania McAlister, Kit Jesson

**Junior School:**

Kia ora e te whānau, Nau mai, hoki mai. Welcome back to school for term 4 of 2022.

Thank you whānau for all your hard work and support over the last three terms. We have loved being back at school together with your tamariki, it gives us such joy to be working with them each day and watching their progress in all areas of learning.

This term our focus continues to be STEAM and we are working towards bringing together all of last term's learning and planning some type of creation. The junior syndicate have enjoyed planning and making their own shelters to escape the weather. Te Wao Tinaku has enjoyed completing a number of experiments including finding the best material for waterproofing. During the night markets later in the term you will be able to have a look in classrooms and see what the students have been doing. Sun hats are compulsory this term. Please ensure your tamariki has a named sun hat. These can be purchased from the school office. Students who don't have sun hats after week 1 will have to stay inside a classroom during the second break.

This term is an 8 week term and we have a number of activities planned. These include Keli Festival, Kahui Ako Cultural festival, night markets, graduation, prize giving, Splish, Splash day and end of year class parties. Please look out for notices or check the school website for information about when these are happening and what students need to bring.

Over the next few weeks your tamariki will be working on their learning stories for their end of year school report.

Despite it being a short term it is really important to attend school as regularly as possible this will help their learning. Remember

to bring book bags and read with your child every night.

If you have any questions or would like to know anything more then please contact your class teacher.

Ngā Mihi, Tracey Strickett, Cara Cox, Julie Campbell, Divya Gounder, Naomi Armitage, Cam Donnell, Sofia Wolf, Manisha Chandra, Becky Yates, Shirley McDougall and Lily Rambeck.

**Whānau Survey:**

A survey has been designed to help us find out about your perceptions of your child's experiences in school. Your responses will be collated and used to provide evidence in decision making for the school. This needs to be completed by tomorrow Friday 21st October. Please note that there are no right or wrong answers. Choose the answer that is best for you. Your answers will remain anonymous. Thank you for your participation.

**Winning House Event Term 3:**

Throughout the term, Kaiako celebrate ākongā who show our Te Ara Tupuranga values, behaviours and skills. At the end of the term, the house with the most ākongā celebrated is the winning house. Last term this was Tāne Mahuta. On the last day of term, our Pouwhirinaki ran an X Challenge where the ākongā from Tāne Mahuta participated in different challenges within their groups. They worked together to solve riddles, solve puzzles, play some sports and more!

Look out for the winning house each fortnight this term.

**Prospect Night Market:**

This will be on **Thursday December 1st from 5.30 to 7:00pm**. If you are interested in hiring a table for \$10 to sell your own food/arts and crafts and keep the profits, please fill in the slip below and hand it into the office with your payment.
