## New Enrolment Scheme

### Overview – what is happening?

The Ministry of Education is developing an enrolment scheme for Prospect School, which will be in effect for the beginning of term 3 in 2022. Having an enrolment scheme in place will ensure the Board of Trustees has a fair and transparent mechanism to manage the roll as it grows. Children that live within this area will have entitlement to enrol at Prospect School. The home zone area is shown on the map on the next page and includes:

*Starting at intersection of Glengarry Road and Glendale Road, travel north along Glendale Road (115-31 odd addresses included) until Waikumete Stream. Travel northwest along Waikumete Stream (Waikumete Cemetery and Signer Park also included) until Benita Place. Travel west along Benita Place (excluded) and then southwest along Seymour Road (excluded) until traveling south along Parrs Cross Road (116 included) until West Coast Road. Travel slightly west along West Coast Road (478-340 even addresses, 471-337 odd addresses included) until turning southeast along Glengarry Road (317-347 odd addresses included, remainder excluded. Maywood Crescent and Danube Lane included) and traveling along Glengarry Road to the zone's origin point.*

**Prospect School Proposed Enrolment Scheme**

## What does this mean for my family?

If you live in enrolment scheme home area for Prospect School you will be entitled to enrol your child at the school. This entitlement applies to new students starting school, as well as any primary school aged children currently attending another school in the area.

Families who live outside the enrolment scheme home zone of Prospect School do not have entitlement to enrol and could only attend if the Board of Trustees planned to enrol any out of zone students. The enrolment scheme will establish the process for this, and places will only be available if the Board of Trustees considers it has the capacity to allow for this. Further information about whether any out of zone places will be made available will be made later in 2022.
