Dear Parents/Caregivers

Re: Additional Stationery Items for 2022

As you know, we have teamed up with OfficeMax once again for our 2022 Stationery requirements. Please refer to the letter regarding Stationery for 2022 on our website.

In addition to the listed stationery, students also need the following items:

Whole School:

- Box of Tissues

Year 3-6 Only:

- Pencil Case
- Felt Tip Pens
- Coloured Pencils
- Pencil Sharpener (enclosed if possible)
- Headphones

Please note: When ordering your stationery packs online, the number of items can be modified if you already have the item (eg reusing a clear file). We encourage you to purchase the stationery listed and not substitute items as considerable thought has been given to what is most suitable for each class.

For those students who are starting school in 2022, New Entrant stationery packs can be purchased at these Back to School prices now.

Please ensure all stationery is named.

Any questions, please do not hesitate to reach out to your child's classroom teacher.
