Hope you have all been keeping warm and safe in this prolonged cold snap. When we close the school it is usually in consultation with the BOT, other schools, school buses, road closures and staff and student safety. It is never an easy decision to make but safety always comes first. Hopefully we will be able to have our ski trip this week in what will be amazing snow conditions! Thank you to the parents who are taking transport on this trip. We appreciate all your help for this trip to happen.

A huge thank you to Gemma Chick and Racheal Agnew who had to sort through literally hundreds of pies for our recent Fairlie Pie Fundraiser. They are very delicious pies!

Maths Week: This week is nationwide Maths Week. We will be doing some fun maths activities at school in the Senior Room this week and next week. There are lots of things that you can be doing at home to help with maths learning. A great website that has ideas for parents and whānau is [nzmaths](http://nzmaths.com).

Hero: Please continue to check messages and reply to notices on this app. We are using it for all of our notices and to share students' learning and work. All absences need to be entered on this app **before 9.00am** every day the student is absent.

Clubs: This term we are doing 3D Art with Mrs M and Mrs Howser is doing some classic and fun olden day games eg board & card games, marbles, elastics, knucklebones, skittles, pick up sticks etc.

Senior Room Camp: The Senior Room are lucky enough to be going on school camp next term to Kaikoura. Permission forms and health forms have been sent home last week. Could these please be returned to me by this Friday.

Ski Trip to Mt Lyford: Looks like it will be awesome skiing tomorrow!. Remember to wear plenty of warm and waterproof clothing and take lots of snacks and water as you use a lot of energy learning to ski!
