Core Beliefs:

- That literacy and numeracy are the foundations for children's learning.
- That children will value themselves and others.
- That the school will foster the rural, family centred atmosphere & it's role as the core of the community.
- That Rotherham School is a place where children can develop social skills necessary for success in modern society.

Strategic Goals:

- Achievement - Provide inspirational educational opportunities.
- Values & Culture - Foster a climate of inclusivity, excellent communication & school values.
- Future Focus - Embrace best practice for evolving educational needs.
