

BINGO

A big tradition in REAF is the annual bingo game – a really fun part of our break-up activities. All year the REAF department collects prizes – mostly donated – and wraps them up ready for the ‘big game’. Prizes are piled up on central tables and students are all given a bingo card and a highlighter. The bingo numbers are called out – and as soon as someone has got all the numbers and calls ‘BINGO’ – that person gets to choose from all the wonderful prizes. Calling continues for two or three rounds and then it starts again. No-one goes home empty handed!!!
