## Scholarships- Kakaipi

Here are the links to University and Polytechnic Scholarships

You are looking for Undergraduate/ future student scholarships. There are general scholarships for accommodation, high achiever etc. Where others are more specific i.e. Engineering, Law, Science. Check out each Universities website for more scholarships. The key to being a successful recipient is to make sure you read the application thoroughly and see that you meet all the criteria. You must apply on time. Do some research on who is offering this scholarship and be ready to answer any questions when asked at an interview. It is important to check the regulations and eligibility criteria as well as filling in the form correctly.
