

Strategic Plan 2022-2024

Our Vision

Learning Together - Te Ako Ngātahi

Our Aspirations

BELONGING

Waipawa Primary School will foster an environment and climate in which children can flourish.

CURRICULUM

Waipawa Primary School will implement a curriculum that enables all tamariki to grow and improve so they are ready for their next stage of learning.

INNOVATION

Waipawa Primary School will utilise its strengths in the school environment to bring the curriculum alive in a way that provides purpose and improves engagement across all areas of learning.

Strategic Initiatives

Who are we?

- All have a sense of identity and belonging with learning being accessible for all.

What makes me unique?

- All are empowered to support and enhance their own wellbeing.

Weaving it together

- Strengthen teacher knowledge and understanding around curriculum integration and consistency with learning themes.

Take time to korero

- To develop a reflective culture throughout the school so all can explain, describe and articulate their thinking and reflect on their actions.

The three R's still matter

- Maintain an emphasis on the CORE learning areas of reading, writing and mathematics and show continuous improvement.

Refresh the Curriculum

- Be flexible and agile to be able to adapt to curriculum changes as they happen.

Learning is everywhere

- Upgrade and provide excellent and varied environments for learning outside of the classroom to complement and strengthen what happens in the classroom.

Be on the edge

- To strengthen the culture of future focussed innovation throughout the school and create the conditions for excellence in teaching and learning.
