

Waituna Creek School

Haere mai ki kura ka nui te mihi

The staff and Board of Trustees of Waituna Creek look forward to welcoming you and your extended family to our learning community.

There is an exciting journey of learning waiting for you, designed to promote and enhance your child's growth and development. These important early school years promise to be filled with discovery and joy as your child works and plays in an environment that is warm, safe and challenging.

We carefully plan our daily activities to encourage independence, self-confidence and group cooperation through large group, small group and one-on-one participation in a variety of hands-on, interactive experiences. The activities include instruction and skill reinforcement in reading readiness, mathematics, writing, science and social studies, art, fine and gross motor skills, social/emotional skills and language development.

This booklet has been prepared to help inform you about our school. If you would like to know more, or would like to have a look around our school, please feel free to contact me to make a time for us to meet.
