### Stationery

Stationery is the responsibility of the children and will be kept in boxes or tote trays in the classroom except for:

Highlighters

Whiteboard Markers

Glue Sticks

Tissues

The items above are used as communal classroom equipment and do not need to be named as they become part of a class set for distribution throughout the year.

Please note that if you child/children were in Piwakawaka last year, the remainder of their unused stationery was handed back so you may wish to go through this before ordering stationery for this year.

Many thanks

Moragh
