## Student Information Consent Form

Images of our students (photographs, video clips, etc), and examples of their school work are sometimes published in our newsletters, on our school website, and other online channels such as school/class blogs, our facebook page, newspaper articles, school advertisements etc. This could also include attending activities with other schools.

We publish student material to celebrate students' work and achievement, to encourage students to participate in our school community, and to promote the school.

We believe it is important to celebrate students' achievements, but are aware of the potential risks when such personal information or material is published online.

In the interest of safety and security we require parents to give consent before publication. With consent, we share no more than a student's first name, image, or work in the school newsletter, on the school website, or in the wider online community.

**Please indicate your wishes by ticking the relevant box:**

- I **give** permission for my child's name, image, or work to be published in the school newsletter, on the school website, or the wider online community (as indicated above).
- I **do not** give permission for my child's name, image, or work to be published in the school newsletter, on the school website, or the wider online community (as indicated above).
